

Steel Dor Deliveries

For Greater Tucson Metro Area

Delivery in the greater Tucson area is free within a 10 mile radius of Steel Dor (1050 E. 19th St.) providing that the Sales Order amount is \$500 or above. If the delivery is outside the 10 mile radius and the Sales Order is at \$500 or above, the first 10 miles are free then a \$1 per mile fee will apply. If the Sales Order is under \$500, a delivery fee of \$1 per mile (one way) will be added to the Sales Order.

All deliveries, unless otherwise stated in writing from our customers, will be set on our delivery board on a "First In / First Out" format. If you would like to schedule a specific time, you must request a date no later than 3 days prior to your requested delivery date.

All deliveries must have an authorized agent from your company at the delivery site to sign and verify that your company has received the proper material and the correct quantity of said material. No materials will be able to be off loaded without a signature for materials received in good order.

C.O.D. deliveries require that the customer be onsite to not only receive material, but also supply our driver payment in full for the balance due on the order. No deliveries shall be made to a customer without payment being received.

Steel Dor will attempt one delivery, if the delivery fails to meet the above criteria, you may arrange re-delivery for an additional \$25 on top of our standard charge for that area. The delivery will then move to our first available time for your area. Customers may also will-call orders at our warehouse.

All Deliveries are F.O.B. Curbside Truck Bed.

Customer is responsible for providing manpower and or machines to off load their order.
